Vandelay Technologies Signs Teaming Agreement With SRC Technologies

Glenwood, MD, June 01, 2008 /PRNewswire/ -- Vandelay Technologies announced today that it signed a teaming agreement effective July 01, 2008, with SRC Technologies of Clarksville, MD to jointly pursue Government contacts with a focus on the Department of Defense and Intelligence Community.

This teaming agreement will allow both companies to leverage their technical capabilities and resources towards larger opportunities. "This teaming agreement is a significant step in both company capabilities and will increase our alliances." said Lenny Ilkovich, President of Vandelay Technologies, LLC.

Steve King, Partner SRC Technologies, commented on the teaming agreement, "Vandelay Technologies has a good customer base and a plan for expanding that base. I believe that our unique marketing process and capabilities will only bolster their marketing capabilities."

Vandelay Technologies, LLC, is a systems integration, software engineering and development firm established in 1999. Customers include the Department of Defense, Drug Enforcement Agency, and select U.S. Government intelligence agencies. Please visit <http://www.vandelaytechnologies.com> for more information.

SRC Technologies, INC provides information technology (IT) consultation services to government agencies and corporations. For further information about SRC Technologies please refer to its website at <http://www.src-technologies.com>.
